Thank you Sarah! First, I want to apologize for not being more diligent in getting information to you this week, but as you can imagine it's been a pretty chaotic week. I think it may be good if everyone on this email list get a chance to hot wash this incident when the dust settles a bit. We are getting back to a bit more of a sense of normalcy here in Durango, but obviously there are continuing actions ongoing that may make it difficult to get everyone together anytime soon. Thank you for your help this week! Pat

Hi all –

Here's the link to where EPA will be posting sampling data as it becomes available:

<http://www2.epa.gov/goldkingmine/data-gold-king-mine-response>

That website will house all EPA info related to the event, and will be updated regularly.

I will be out of the office 8/17-21, returning 8/24. While I'm out, Lisa Kahn will be your point of contact in the Water Program ([kahn.lisa@epa.gov](mailto:kahn.lisa@epa.gov), 303-312-6896).

Thanks,  
Sarah

I think you all are getting this directly from Gina now, but as I'm already on my cell I'm  
sending again just in case. I apologize for any duplication.

Thanks
